Respectfully Submitted

The Pay bill of the Mopar Coast Agency for the months of April '22 has been returned with Comptr's objection stating that the bill cannot be passed as it is against G.O. No S/270-82 dt 25/7/22 May File 371-21-4 which states that the services of the Establishment has been transferred from 1.4.22

The Agency Establishment before submitting their Consent have for the deputation for work under the Swamijahs have submitted their doubts about regular payments and it was on the assurance of the Officers that they Consented to the deputation.

The Agency is now alone under a disadvantage & have not been able to draw about Nothing on account of the delay in handing over the Management but also because of their T.A Accounts for Feby & Mar '22 not having been granted to them.

The moneys Collectable from the several lessees & tenants under

persons have not been coming in because there is none on the spot goading them to action.

While so if the Agency Establishment is not to be paid their wages, the difficulties they will be put to will be indescribable

In these circumstances I humbly beg that the bills presented by the agency be ordered to be paid by the Comptr: till the period of deputation is over.
